## Instrument Lubricant HU-FRIEDY

Instrument care and maintenance products ensure the proper functioning of instruments, while also minimize wear.

### DID YOU KNOW?

All hinged instruments – forceps, rongeurs, scissors, pliers, hemostats, orthodontic pliers, etc. – should be kept lubricated.

Regular use of proper lubricants, like Instrument Lubricant Spray (ILS), will prevent rust, corrosion and stiff joints to ensure smooth operation. **All hinged instruments should be sterilised in the open position.**

Instrument Lubricant Spray, Keeps hinged instruments moving freely, 237 ml **ILS**
